

Scotland v Nor. Ireland Match – March 25th, 2015

TACC were delighted to be able to invite children from Aberlour Childcare Trust Glasgow Youthpoint to their first Scotland match which was the tantalising encounter capped by a 1-0 win, with the goal coming from the unlikely Christophe Berra in the 85th minute.

As well as their Scotland tops, £10 spending money and tickets, very kindly provided by SFA/SSC the kids were chuffed to see their names illuminating the big stadium screen at half time.

We think the outcome of the night is perhaps best summed up in the words of the kids and their guardians for the night.
