

TACC were delighted to send a group from Dumbarton Road Youth Corridor Project (DRYCP) to attend the Scotland vs Belgium match at Hampden Park on Friday 7th September 2018.

This was part of TACC's My First Scotland Match programme. All the children were given a match ticket, a Scotland top, a Saltire and £10 to spend.

The feedback from Jordan McGrotty of DRYCP - "Hello TACC, just a little message to say thanks for tonight, the kids loved it, great experience for them (minus the result), thanks again".
