

TACC were delighted to be able to host these fabulous kids from the Saturday Café Clubs when they attended their first Scotland match,

as the Scotland Womens National Team took on the USA in Paisley on Tuesday 13th November.

They were a great bunch of kids from a great organisation who do so much to support.

This was part of TACC's My First Scotland Match programme.

All the children were given a match ticket, a Scotland top, a Saltire and £10 to spend.

The feedback from Mags of Saurday Cafe :

"The feedback today was amazing from young people and parents. I think we can say that it was a winner despite the score on the pitch."
