

On Sunday 13th October 2019 TACC were delighted to send a group of kids from Barnardos Scotland to watch Scotland comfortably beat San Marino 6-0 at Hampden Park in Glasgow.

This was part of our My First Scotland Match program where each child receives a match ticket, a Scotland shirt, a Saltire flag and £10 pocket money. A couple of photos and a nice thank you are shown here.

I'd just like to say thank you so much on behalf of Barnardo's for the generosity towards our young people & parents. One parent commented that he'd been in this country for over 20 years & had always wanted to go to a football match & he (never mind his 2 kids!) was so excited. The young people have been raving about it & each & every one of them had an amazing time & have a life time memory to cherish – thanks to the Tartan Army Children's Charity. Feel free to use any quote in your social media! Photo's too.

Thanks again Leah & if we can apply again (on behalf of other young people who we work with) that would be incredible. You've given these kids big smiles on their faces – parents too! Evidence of which is attached in the 2 photo's I've included!

Cheers Leah. Oh & what a scoreline....thanks Scotland!
