

TACC FC – Cerebral Palsy Scotland

As part of our TACC FC initiative, we recently awarded a grant of £5860 to the Scottish National Cerebral Palsy Football Team "Pathway Project" for 5 – 18 year olds.

This award ties in with our TACC FC initiative where we try to help disadvantaged children in Scotland via football related activities.

We hope this money will help enhance the experiences for the young people who suffer from Cerebral Palsy and are part of the Scottish National Cerebral Palsy Football setup.
